Dear Parents/Carers,

Absences:

In accordance with the law, it is required that the school receives an explanation for any absence. Therefore, I would like to remind you of the procedures below if your child is absent from school for any reason.

- On the first day of your child's absence we ask that you contact the school by 9.30am via Seesaw, phone call or email with a message explaining the reason for absence.

- Contact the school each day of the absence unless you know on the first day that your child is going to be away for more than one day.

If we do not receive a message, the school will contact parents/carers. The absence will be recorded as unauthorised if the school is unable to contact parents.

Attendance Matters:

In accordance with Flintshire County Council, Ysgol Bryn Deva categorises attendance as follows:

GREEN 97% - 100% AMBER 93% - 96% RED below 92%

95% attendance equals 10 days absent and 85% attendance equals 30 days absent.

When your child attends school on a regular basis, they take an important step towards reaching their full potential and are given the greatest opportunity to learn new things and develop their skills. The more time they spend around other children, whether in the classroom or as part of a school team or club, the more chance they have of making lots of friends and feeling included, boosting social skills, confidence and self-esteem.

Teaching your child good habits from an early age can help these carry through to adult and working life.

Punctuality:

Being on time is a legal requirement. Consistently arriving late can have a detrimental effect on the child's education and well-being.

10 minutes late per day during the school year equals approximately 8 teaching days lost.

If you are having difficulty bringing your child to school on time then please speak, in the first instance, to your class teacher. We are here to help and support you in any way we can.

Thank you for your continued support,

Mrs. Karen Burrows
