We develop hearts and minds to learn together forever

We want your opinion!

Excitingly, we are now beginning to use the new Curriculum for Wales as our guidance for teaching and learning in our school. The Curriculum for Wales allows schools to produce their own curriculum using our curriculum rationale. You should have received our rationale via SeeSaw or it is also available on our website for you to view.

In celebration of this new curriculum, we would like to invite all our parents to a coffee and a chat to gain your opinions on how your children are going to be taught under the new curriculum. On the 26th September 2022, we will be supplying coffee, tea, biscuits and a natter at 9.30 - 10.30 in the school hall.

Safeguarding

As a school, we pride ourselves on providing a safe and secure environment for all of our learners. We understand our duty of care in reporting and supporting any concerns, whilst working alongside a range of outside agencies, alongside our parents and children.

We are encouraging an open-door policy, in light of the new Covid guidelines and the lifting of restrictions, we would encourage any concerns regarding our practice or actions of others to be reported and discussed with our senior leadership team. **WE ARE ALWAYS HERE TO HELP AND SUPPORT**

We have changed our lunch times, to enable more staff to be available to supervise the children, we **politely ask that parents refrain from approaching the fences during the school day as we are currently keeping children away from the fences for their own safety.**

After school clubs

We are so pleased that we can now provide a range of after-school clubs for all children. The clubs will begin at 3.15 and finish between 3.45 and 4pm. Some places are limited so we kindly ask yourself or your child to collect a letter for the clubs for which they are interested. Spaces will be allocated on a first come, first serve basis. All clubs (Unless stated) will begin the week beginning 19th September.
