

## What will school look like when I go back

From tomorrow, I will come in to school but it will be a bit different.

I will still be with my teacher and the adults in class who usually work with me. There may be some extra adults that I know helping me too.

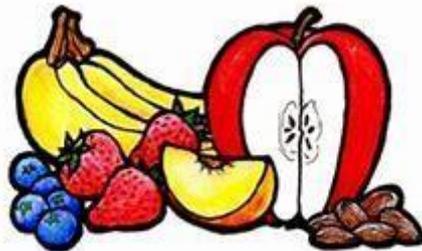

I will see some of my friends and I will see all of my friends by Tuesday.

I will still be in my usual class, just like before Christmas. We will be doing all our usual lessons, and working outside, so we will need to remember a coat.

### **We will have fun!**

We can still bring a drink, a healthy packed lunch and a snack. If we want, we can still have a school dinner.

I will still follow the same rules as we normally do in school:

- I will listen to the teachers.
- I will be polite.
- I will try to help where I can.
- I will talk about my feelings if that helps.

Ysgol Bryn Deva will be a bit different for a while.

I know this is to help look after everyone, but we will be fine and still have a good time!

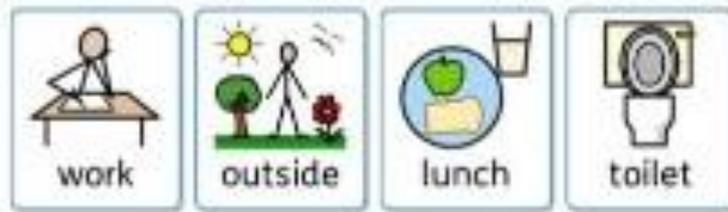

The teachers and staff around school will be wearing masks just like the people you see when you are out and about.

We are going to stay together in our classes and spread out into other areas with our own class to work, play and

eat our snacks and lunch. We will use the same toilets and sinks as the children in our group.

We will carry on washing our hands and using hand sanitiser.

Washing our hands and staying apart from other classes of children are good ways to keep us all safe.

If I am feeling a little bit nervous about returning, this is okay and is because I have not been at school for a while.

My family and the teachers and staff in school will make sure that I am ready for school and will look after me.

If I am worried when I go back to school I can talk to the teachers and staff around school whenever I need help. The adults will be very happy if I talk about things which worry me. They are there to help me whenever I need them.

I know I will have a great time when I go back to school.
