

# Newsletter Criw Cymraeg

## Logo Competition

During our recent meeting, we decided that we wanted to arrange a whole school competition to design the logo for the Criw Cymraeg. The logo will be used on the school website, during assemblies and on our newsletter. We created a video that will be played to each class to give guidance. The video is on the school website if you'd like to watch! We will announce the winner on **Friday 8<sup>th</sup> October**.

Da iawn a pob lwc to everyone who entered!

## Target Updates

One of our responsibilities on the Language Charter is to promote the use of Welsh within our school. We thought it was a good idea to create a poster about the advantages of learning Welsh, to help motivate everyone to speak as much Welsh as they can to each other throughout the day! This includes greeting other children and members of staff in Welsh and speaking to dinner ladies in Welsh. Keep your eyes peeled for our posters around the school!

Ymadrodd yr wythnos / Phrase of the week

Wyt ti eisiau helpu? Do you want help?
