## Logo Competition Winner!

During our last meeting, we judged the logo competition entries and are pleased to announce that the winner is... Lexi - Mai in Year 6!

It was very close and there were lots of fantastic entries across the school. Da iawn pawb! Lexi - Mai's logo will be used on the school website, during assemblies and on our newsletter. Check out Lexi's logo at the top of today's newsletter!

**Llongyfarchiadau!**

## Target Updates - Pod Siarad

To encourage the use of Welsh outside of the classroom, the Criw Cymraeg decided that they wanted to establish a hotspot which they've named the 'Pod Siarad'. The Pod will be situated in the Gazebo at the front of the school. It will be used during break times and lunch times as a meeting point for children to pop over and have a simple conversation in Welsh with a Criw Cymraeg member!

Rewards will be given to those who impress the Criw with their Welsh language skills!
