26th September

Dear parents and guardians,

We have to inform you that there has been a confirmed case of COVID -19 in one of our classes. As a result of the positive test, pupils in Mr. Hall`s class are requested not to attend school on Monday 28th and isolate at home for 14 days. The date of return to school for this class is 08.10.20.

Any new information will be dispatched as it is received. Please ensure your SCHOOP details are up to date, particularly if you have renewed your mobile phone and need to reinstall the app. All correspondence can be accessed on the website too.

Many thanks

Helen Evans

Head teacher
