• Introduction

At Ysgol Bryn Deva we recognise our duty and responsibility to eliminate discrimination and promote equality for learners, employees, and members of the school community regardless of their Age, Disability, Gender reassignment, Marriage and civil partnership, Pregnancy and maternity, Race, Religion or belief, Sex and Sexual orientation as defined within the Equality Act 2010.

We have developed our Strategic Equality Plan (SEP) to ensure equality is at the heart of everything that we do as an education provider and as an employer. The SEP sets out Ysgol Bryn Deva's commitment to equality and diversity and explains how we will work to promote these principles and build upon progress achieved since the publication of our previous SEP in 2020.

The SEP establishes our priorities for 2024 -2028 and the actions we will take to reduce identified inequalities, improve outcomes in education and employment and foster good community relations. Within this plan we set out clear steps, detailing how we aim to achieve them, and how our success will be measured.

1.1 School Profile

Ysgol Bryn Deva is situated in Connah's Quay in Flintshire. The school has 299 pupils aged three to eleven years on roll, including 37 who attend the nursery on a part-time basis. The current gender split is 52.8% females and 47.2% male There are twelve classes, all of which are mixed-age. This represents a significant increase in numbers since December 2021. During the next academic year, we are intending to create an additional small class within Foundation Phase to support the larger numbers and low base line of the upcoming Year 2 cohort.

Most pupils are of white British ethnicity. Approximately 28.53% of pupils are new to the English language. Very few pupils come from Welsh speaking families. There are a total of 15 different languages, spoken as first languages at home. These range in percentages of learners from 12.7% Polish, 6.35% Romanian and to 0.3% for Spanish, Yoruba, Dutch, Sinhala, Romani and Turkish.

Christianity is the dominant religion of the school at over 29.76%, with Muslim 3%, 1.6% Roman Catholic and 0.3% Hindu and Johovah Witness. 64.8% of learners have no religion selected.

The school has identified 6.58% of pupils as having additional learning needs, with Individual development plans, currently. We are currently providing 142 full-time children with targeted provision which equates to approximately 44.51%. Around 31.03% of pupils are eligible for free school meals.

The school's core-values reflect the fact that we nurture each child as an individual and develop an inclusive approach through welcoming parents, wider teams of professionals and the local community as partners in Developing Hearts and Minds to learn together forever (the school's motto). Leadership is devolved and strongly focusses upon improving the well-being of pupils and providing a curriculum which meets their needs, which in turn, provides greater engagement and raises pupil attainment. Our current attendance is 91.43% with a small differential between FSM and non-FSM learners, which is being addressed regularly through PSP and working relationships with parents and carers.

Whenever possible, a broad range of people including staff, parents, learners and others are involved in consultation on policy development. Any issues arising will be addressed and stakeholders informed of decisions and actions.
We publish EIAs that show substantial impact or likely impact on the school's ability to meet the general duty on our website.
